EXPERIENCE

Python Intern - LinuxWorld Informatics Pvt. Ltd. May 2025 – July 2025

- **Mode of Internship:** Remote
- **Project:** Menu-Based Python Application
- Developed a menu-driven Python application integrating multiple functionalities through a command-line interface (CLI).
- Gained hands-on experience working with Python programming concepts, libraries, and basic frameworks.
- Strengthened understanding of programming, user input handling, and CLI-based application design.

PROJECTS

NGO Website– Avasa Foundation – A User-Centric Website [\[View\]](#)

- **Tech Stack:** Next.js, React.js, Tailwind CSS, GSAP, MySQL, Razorpay, Emailjs
- Developed a fast, responsive, and user-friendly NGO website with action-driven sections, smooth navigation flow, and a fully responsive UI using Tailwind CSS to enhance user engagement.
- Integrated Razorpay for secure online donations, implemented GSAP and ScrollTrigger animations for modern UI interactions, and utilized MySQL with Hostinger deployment to ensure reliable performance, stability, and scalability.

Odyssey – College Fest Website [\[View\]](#)

- **Tech Stack:** Next.js, React.js, Tailwind CSS, GSAP
- Built a visually engaging college fest website with fast navigation, responsive design, and modern UI components using Next.js and Tailwind CSS.
- Implemented smooth animations and scroll-based interactions using GSAP and ScrollTrigger to enhance visual engagement and deliver an interactive, high-performance user experience.

ACHIEVEMENTS & PARTICIPATION

- Winner, Snap Syntax Website Building – IIT Roorkee (2025)
- Received an Appreciation Certificate from Avasa Foundation (NGO) for designing and developing the official website.
- Participated in National Integration Camp (NIC), Amity University Rajasthan (2023).
